Satish Trading Corporation

Foreword

After success of first two editions of Global Business Icon Awards, we are pleased to felicitate 17 brilliant entrepreneurs with Global Business Icon Awards 2021. The winners of the Global Business Icon Award 2021 are those who have excelled in their respective fields. The awards are instituted by NNS Media Group to felicitate the businessmen in recognition of their contribution to the society in general and to the industry in particular. It has been primary objective of the NNS Media Group since beginning to promote business and businessmen. NNS Media Group began its operations in the year 1950 as a news agency by pioneering the concept of providing commodity news and daily trading prices. One of the group companies NNS Online Pvt. Ltd. owns Business Hindi daily newspaper, Vyapar Kesari; a business English monthly magazine, Business Star and a social Hindi weekly newspaper, Meri Delhi. NNS Media Group diversified its activities into organizing Conferences & Exhibitions in the year 2002 and since then it has been organizing events, exhibitions and seminars of international stature with grand success. We hope that the 3rd edition of Global Business Icon Awards will motivate many entrepreneurs and we hope to honour them in future.

NNS Media Group

Preface

Winning the 'Global Business Icon Awards' is the most powerful way to build brands. The prestigious Business Excellence Awards, 'Global Business Icon Awards', are presented to highlight and recognize the outstanding performance and results achieved by the leading businessmen across the sectors. Global Business Icon Awards reward those who have worked tirelessly to reach where they are today. The awardees have been selected through rigorous process after taking different parameters into account. We have tried to include businessmen from different spheres of life so that representation is as wide as possible. We may have missed out on some of the deserving businessmen but it was not possible to honor them all in one year, we hope to honor them in the next edition of awards. As these corporate awards have become the mirror of a company because it is not only about the survival of the fittest but also to conquer and thrive. Every business and person is unique in their own way so it's a pleasure for us by felicitating them with Global Business Icon Awards.

Satish Trading Corporation

Spices are an integral part of our food and are used in making delicious food for centuries. Mr. Satish Gehlot had wanted to take pure, and best quality spices flavours to every household. To fulfil this dream, he decided to introduce Satish Masala, a brand of authentic spices. Hence, Satish Masala was launched on 1st July 2020. Through Satish Masala, Mr. Satish Gehlot's aim was to deliver the best quality authentic spices to consumers and carve a niche in the spices industry. The brand has been progressing at a rapid pace since then by providing a wide range of spices.

The journey began in the year 2000 when Mr. Kanaram Gehlot, Mr. Satish Gehlot's father, a farmer from the small town of Kuchera in Rajasthan started Shri Rana Bai Trading Corporation which started dealing in spices like Mint Powder, Kachari, Kokla, Kair etc. Mr. Kanaram Gehlot had a long experience of farming spices like Kasuri Methi, Mint Powder (Pudina Powder), Cumin (Jeera), Fennel (Saunf), Fenugreek Seeds (Dana Methi), Rai, Kachri, Kokla, Kair and many others. This experience and knowledge of spices has helped him in establishing the business. Mr. Satish Gehlot was involved in his father's business and started assisting him. In 2010, Mr. Satish Gehlot established a large spices factory and Satish Trading Corporation came into existence. Various spices like Cumin (Jeera), Fennel (Saunf), Fenugreek Seeds (Dana Methi), Rai and many more began to be processed and packed in this factory. Mr. Satish Gehlot started working day and night to establish this business. Soon the business started prospering due to the great

business skills of Mr. Satish Gehlot. His experience of farming, working with his father, and above all his talent played a crucial role in making the business successful. Mr. Satish Gehlot, though not much educated and hailing from a farmer family of Kuchera, had a dream and determination. His dream since childhood was to become a successful businessman which was soon turning into reality and encouraged him to expand his business further.

The spices are thoroughly cleaned by hands and machines at the factory and packed. Quality control is an integral part of the whole process. All this is done to ensure that consumers get the best quality, thoroughly cleaned spices with authentic flavours. The dream of making the brand successful always inspired Mr. Satish Gehlot to keep on putting in great efforts and making the brand available in many places. The spices are not only superior in quality but also affordable and available in attractive packaging. Satish Masala has gradually become a one-stop-shop for spices with numerous varieties of spices available like Kasuri Methi, Mint Powder, Cumin, Fenugreek Seeds, Mustard Seeds to name a few. Mr. Satish Gehlot's goal is to make the brand known not only for its taste but quality too. India being a land of diversities, every region has its own language and food. Mr. Satish Gehlot wants his spices to cater to the needs of all with their quality and authentic flavours. Mr. Satish Gehlot's mission is to create a brand that is a part of every home due to its unique and rich flavours. Satish Masala has also been featured in media like Vyapar Kesari, a business newspaper. Satish Masala is also the presenting sponsor of the third edition of the Global Business Icon Awards-2021.

Mr. Satish Gehlot hails from a small town in Rajasthan, Kuchera, and was born in a poor farmer family. His parents are not very educated. He is the eldest amongst four brothers and two sisters and also differently-abled. Despite these challenges, he has made his business successful due to his skill, determination and passion. He studied at the Government School located in Kuchera. He was not very good at his studies. But right from his childhood, he had a dream of becoming a successful businessman. He spent time in the school library reading business-related books and success stories. He could not pass the 10th class examination, but his inclination towards business and knowledge gathered from reading has helped him to become a successful businessman. He joined his father's business at a young age. He also had some experience of farming as he used to help his father in the fields. All this experience and his knowledge enabled him to start Satish Trading Corporation in 2010. Mr. Satish Gehlot had the dream of taking his spices to households. Hence, he launched the spices brand Satish Masala on 1st July 2020. Satish Masala is gaining popularity with time and is now available at several places. Mr. Satish Gehlot also received the "Spice Icon of the Year" award in 2019. It is an honour felicitating him with Global Business Icon Award in the category of Brand of the Year.
